**Jindalee Boat Ramp Park**

**Tuesday 11<sup>th</sup> June**

We visit a western suburbs park – Jindalee Boat Ramp Park. Prior to development the area had been largely used for grazing and dairy farming, however it was developed as part of the Hooker Centenary Project, beginning in 1960. Electric barbecues and picnic shelters spread throughout the park provide the perfect opportunity to enjoy a relaxed breakfast or lunch, right beside the river.
